## BextSpot Pro® Carpet Spot Cleaning System

The BEXTSpot Pro® provides a compact, lightweight highly portable tool for quick carpet or upholstery spot clean-up. With a 1 gallon tank, there is plenty of solution capacity for the emergency small jobs that present themselves in schools, offices, food service areas or healthcare facilities. With a powerful pump and vacuum motor, this very convenient machine gets the job done fast, and can then be stored away out of sight.

## BEXT® Pro Portable Hot/Cold Water

With superior cleaning performance, enhanced productivity and unmatched flexibility, the BEXT® Pro is designed to provide our customers with the cleaning power needed to match their diverse carpet extracting applications. The BEXT Pro surpasses comparable extractors when it comes to cleaning flexibility. With two pressures available—100 psi and variable 0–400 psi—you can choose the extractor best suited for the job at hand, satisfying light duty cleaning and deep extraction requirements.

## Clean Track® 12

The small footprint and straight-forward controls make the Clean Track® 12 easy to operate, maneuver, and transport. The 12 inch cleaning path allows extraction in tight spaces such as elevators. The laminar-flow shoe and controlled water usage assist with faster dry times so normal traffic can resume without extended interruption.

## Clean Track® S16, L18 and 18 Wash and Rinse

Clarke Clean Track® S16 & L18 self-contained portable extractors provide easy, flexible operation to satisfy carpet care requirements! Compact, portable design and innovative extractor capabilities with minimal maintenance ensure superior cleaning results. The Clarke Clean Track® 18 Wash & Rinse enhances productivity and improves cleaning performance with one pass cleaning! It has an ergonomic, safe design that delivers twice the cleaning productivity in half the time.

## Clean Track® L24

The Clarke Clean Track® L24 battery walk-behind carpet extractor provides superior cleaning capabilities to ensure your carpets are clean and ready to use fast! CRI-certified extraction ensures a deep cleaned carpet with dry times of less than 30 minutes!

## DirectAir Pro™ Air Mover

The DirectAir Pro™ is the compact, light-weight and transportable solution in an air mover. Featuring a powerful 1/3 hp motor and 3 speeds, this machine is designed to draw low amperage, so that it can be daisy-chained to one plug outlet for use in flood restoration applications. Also great for quicker carpet drying during carpet cleaning, and wherever movement of air is needed.

Extractors and Drying system Warranty: Parts 1 Year, Labor 1 Year
