BextSpot® Carpet Spot Cleaning System

The BextSpot is your complete compact spotting kit. It offers a large 2.5 gallon recovery tank and 55 PSI solution spray through a 3.5 inch hand tool to make quick work of carpet and upholstery spot cleaning tasks. When ordered as the deluxe package, the kit includes an 8 inch floor wand to reduce fatigue, a complete spot cleaning chemical kit and a convenient transport handle to ease mobility.

BEXT® Pro Portable Hot/Cold Water

With superior cleaning performance, enhanced productivity and unmatched flexibility, the BEXT® Pro is designed to provide our customers with the cleaning power needed to match their diverse carpet extracting applications. The BEXT Pro surpasses comparable extractors when it comes to cleaning flexibility. With two pressures available—100 psi and variable 0–400 psi—you can choose the extractor best suited for the job at hand, satisfying light duty cleaning and deep extraction requirements.

Clean Track® 12

The small footprint and straight-forward controls make the Clean Track 12 easy to operate, maneuver, and transport. The 12 inch cleaning path allows extraction in tight spaces such as elevators. The laminar-flow shoe and controlled water usage assist with faster dry times so normal traffic can resume without extended interruption.

Clean Track® S16, L18 and 18 Wash and Rinse

Clarke Clean Track® S16 & L18 self-contained portable extractors provide easy, flexible operation to satisfy carpet care requirements! Compact, portable design and innovative extractor capabilities with minimal maintenance ensure superior cleaning results. The Clarke Clean Track® 18 Wash & Rinse enhances productivity and improves cleaning performance with one pass cleaning! It has an ergonomic, safe design that delivers twice the cleaning productivity in half the time.

Clean Track® L24

The Clarke Clean Track® L24 battery walk-behind carpet extractor provides superior cleaning capabilities to ensure your carpets are clean and ready to use fast! CRI-certified extraction ensures a deep cleaned carpet with dry times of less than 30 minutes!

DirectAir™ Electric Drying System

The DirectAir Ventilation/Drying System is ideal for drying carpets, hard floors, upholstery or wherever fast dry times are required. DirectAir also works well in areas requiring added ventilation or for blowing up advertising balloons or inflatable playgrounds. The blower has three positions (0°, 45°, 90°), allowing you to control the direction of airflow where it's needed most.

Extractors Warranty: Parts 1 Year, Labor 1 Year

Trusted. Reliable. Efficient.
