

For commercial floor care equipment, *CleanLease*™ offers an array of creative payment schedules with attractive rates backed by superior service. Your options include:

Loans

If you are planning on keeping your equipment after your finance term and want to take advantage of available depreciation credits this may be the option for you.

Fair Market Value (FMV)

If you are planning to turn in your equipment for new equipment at lease end this is the option for you. You can return the equipment, continue to rent the equipment, or purchase the equipment for the Fair Market Value. We recommend that you consult your financial advisor for tax benefits applicable to your company.

Fixed Purchase Option

You set the lease end purchase price of the equipment at a fixed amount of the equipment cost. Unlike the FMV option this in an obligation to purchase at lease end for the agreed upon percentage (10%, 5%, etc.).

\$1.00 Purchase Option

This is a traditional finance lease whereby you own the equipment at lease end for \$1.00.
