

Extractors

BextSpot Pro® Carpet Spot Cleaning System

The BEXTSpot Pro® provides a compact, lightweight highly portable tool for quick carpet or upholstery spot clean-up. With a 1 gallon tank, there is plenty of solution capacity for the emergency small jobs that present themselves in schools, offices, food service areas or healthcare facilities. With a powerful pump and vacuum motor, this very convenient machine gets the job done fast, and can then be stored away out of sight.

Clean Track® 12

The small footprint and straight-forward controls make the Clean Track® 12 easy to operate, maneuver, and transport. The 12 inch cleaning path allows extraction in tight spaces such as elevators. The laminar-flow shoe and controlled water usage assist with faster dry times so normal traffic can resume without extended interruption.

EX40™ 16ST & 18LX

Building on Clarke's 100 years of building durable, robust and effective cleaning equipment, the Clarke EX40™ 16ST and 18LX self-contained extractors provide you with a proven ability to clean carpets efficiently and rapidly.

Clean Track® L24

The Clarke Clean Track® L24 battery walk-behind carpet extractor provides superior cleaning capabilities to ensure your carpets are clean and ready to use fast! CRI certified extraction ensures a deep cleaned carpet with dry times of less than 30 minutes!

EX20™ Portable Extractors

EX20™ portable extractors are the culmination of a major engineering and design initiative of Clarke that emanated from direct field input of cleaning technicians who used high performance portable extraction machines every day.

EX30™ Heated Portable Extractor

The EX30™ is the result of years of extensive engineering and design experience coming together with customer feedback to create one of the most powerful and user-friendly portable carpet extractors ever made. The EX30 is designed with the end user's needs in mind. Features like upright, dolly design for easy loading, unloading and stair climbing make the EX30 easy to handle by one person. The EX30 has CRI certified gold third party tested certification for superior carpet extraction performance.

DirectAir Pro™ Air Mover

The DirectAir Pro™ is the compact, light-weight and transportable solution in an air mover. Featuring a powerful 1/3 hp motor and 3 speeds, this machine is designed to draw low amperage, so that it can be daisy-chained to one plug outlet for use in flood restoration applications. Also great for quicker carpet drying during carpet cleaning, and wherever movement of air is needed.

Extractors Warranty: Parts 5 Years, Labor 2 Years
Dryer Warranty: Parts 1 Year, Labor 1 Year

Trusted. Reliable. Efficient.
