

Wet/Dry Tank Vacuums & Specialty Products

Maxxi II™ 35

The Maxxi II™ 35 wet/dry vacuum exceeds cleaning expectations with increased versatility, enhanced power and cost-efficient performance. Featuring a unique filter system, the Maxxi II 35 offers one solution for both wet and dry filtration.

Warranty: Parts 3 Years / Labor 2 Years

Summit Pro® 185Q

The Summit Pro® 185Q offers great performance and value in a wet/dry vacuum. The high capacity tank and integrated front-mounted squeegee assembly with rear foot pedal actuator allow high productivity water pick-up for big jobs. When you need tools that can pick up dust and get into tight places, there is a complete tool kit with 9 foot hose and rugged stainless wand.

Warranty: Parts 3 Years / Labor 2 Years

OZ40K™

Ozone is the strongest oxidant commercially available and is a proven deodorizer. The OZ40K™ doesn't just cover up foul odors; it actually destroys the molecules that cause them.

Warranty: Parts 3 Years / Labor 2 Years

WP630™

The WP630™ from Clarke is designed to be the most efficient and effective way to extract water from carpet at any water damaged facility. This new and innovative design has increased the efficiency of the airflow by top mounting dual 3-stage vacuums, thus eliminating stand-pipes and bends into the tank.

Warranty: Parts 3 Years / Labor 2 Years

MC1200™

The MC1200™ features an improved dual-surface design that significantly increases your cleaning capability. Using high pressure water at 1,200 psi for hard surface cleaning of tile and grout and other hard surfaces, the MC1200 easily loosens soils and immediately vacuums them up with a powerful 3-stage vacuum.

Warranty: Parts 3 Years / Labor 2 Years
