- 30 inch cleaning path
- 20 foot off-aisle vacuum hose
- Maneuvers well with large 10 inch rear wheels and front swivel casters
- 5 position carpet pile height adjustment
- Quickly vacuums large areas (10,000 sq. feet/hr)
- Complete off-aisle accessory kit
- Powerful dual-vacuum system
- H.E.P.A. filter option available

BEXTSpot Pro® Carpet Spotter

- Compact and lightweight
- Built-in transport wheels
- 4.5 inch clear hand tool to view soil removal with 8 foot hose
- 1 gallon easy-fill solution tank
- Removable recovery tank for easy dumping and cleaning
- Optional 8 inch wand, or 15 foot solution and vacuum hose
- Powerful 30 PSI pump aids in deep cleaning spots

EX20™ Portable Extractors

- 12.5 gallon solution tank
- 11 gallon recovery tank
- Single 5.7 inch, 3-stage vacuum motor
- 140 inch waterlift (100SC and 100H)
- 212° heat at wand tip (100SC and 100H models)
- Cold water extractor (100C)
- Ergonomic design
- 12 inch stainless steel wand standard (AquaWand™ optional upgrade)
- Wand caddy for easy transport
- Unique transport handle design
- Low moisture / environmental footprint reduction system

EX30™ Heated Portable Extractor

- 12 gallon solution tank
- 10 gallon recovery tank
- Dual 5.7 inch, 3-stage vacuum motor
- 200 inch waterlift
- 50-500 psi
- 2,000 Watt heater
- In-line heater element
- Instant heat up to 212° F at the wand tip
- Smart circuit locator
- AquaWand™ standard
- Low moisture system
- Day-time-quiet operation
- Roller handles for easy loading

Clean Track® 12 Carpet Extractor

- 12 inch cleaning path
- Powerful 1.2 hp two-stage vacuum motor removes moisture for quick drying times
- 5 gallon (15 L) solution and 4 gallon (19 L) recovery tank
- Laminar Flow vacuum shoe
- Single spray jet design
- Ergonomic adjustable handle
- See through solution tank lid
- Self leveling brush
- Durable Polydur tank
- CRI Seal of Approval – Silver

Clean Track® S16, L18 and 18 W&R Portable Extractors

- 16 or 18 inch cleaning path
- 7 gallon solution & 5 gallon recovery tank (S16)
- 11 gallon solution & 8 gallon recovery tank (L18)
- 13 gallon solution capacity (18 Wash and Rinse)
- 1.5 hp 3-stage vacuum motor (S16 and L18)
- 1.7 hp 3-stage bypass vacuum motor (18 Wash and Rinse)
- CRI Seal of Approval – Bronze

Clean Track® L24 Carpet Extractor

- 24 inch cleaning path
- 20 gallon solution & 16 gallon recovery tank
- *LIFT*™ (Low-moisture, Indirect spray, Fast dry time, True cleaning) technology
- Deep-cleaning restoration mode
- Deep Treat™ single-pass, pre-spray feature
- Onboard detergent dispensing
- 93 cfm (44 L/sec)
- Waterlift 70 inches
- 69 dB A sound level
- CRI Seal of Approval – Bronze

DirectAir Pro™ Electric Drying System

- 3 speeds
- Built-in wheels and telescopic handle for easy transport
- Onboard outlets for daisy-chaining up to 3 units
- Stackable
- ETL and CETL approved
- Air flow: 1,900/2,100/2,400 CFM
- 20 ft power cable (6.1 m)
- Thermally protected motor

Maxxi II™ 35 Tank Vacuum

- 9 gallon tank size
- Quality 3-stage filtration
- Powerful motor maximizes cleaning performance
- Accessories to help tackle diverse cleaning challenges
- 50 foot power cord
- 1,100 Watt motor
- Air flow: 101 CFM

Summit Pro® 18SQ Tank Vacuum

- 24 inch cleaning path
- 18 gallon tank capacity
- High productivity
- 2-stage vacuum motor
- 1.17 hp motor
- Airflow at orifice: 95 CFM
- Integrated 24 inch front-mounted squeegee assembly with pedal actuator
- 10 inch wheels permit easy stair climbing
- Includes 5 piece tool kit, 9 foot hose and stainless wand with onboard storage
- 50 foot power cord

Dust Magnet™ Dry Dust Mopping Systems

- Dry dusting system uses disposable dusting sheets
- Super lightweight aluminum system
- Simple static electricity attracts dust and holds it
- 23, 46 and 59 inch wide cleaning path options
- Sheets come in convenient pre-cut boxes of 200, or a continuous roll of 100 sheets

TFC 400 All Purpose Cleaner

- Touch-free, all-purpose cleaner
- Small footprint for easy storage
- Compact, maneuverable
- Optional front mount squeegee for increased productivity
- Simple storage for recovery and solution hose
- Removable pallette contains all electrical components

Clarke®

Commercial Equipment

Clarke®

Having the Part On Hand

We understand that the best service technician, with the most innovative tools, can only provide the most prompt service, if the right part is on hand. We don't boast about how much we have on hand, but what we have on hand. Clarke® stocks over 20,000 different "go" parts. Clarke's inventory of parts is monitored by our advanced information technology systems. We know what parts to have on hand; we have been supporting after-sale service of commercial cleaning equipment since 1916.

Trusted. Reliable. Efficient.

Vantage 14 Battery Operated Micro Scrubber

- Single 14 inch disc scrub brush
- 14.5 in (37 cm) scrubbing width
- 3 gallon (11 L) solution / recovery tank
- Patented, rotating deck
- Full battery-powered operation and onboard battery charger
- Compact, maneuverable design
- Quiet operation, at only 64 dB A
- Brush-assisted operation

MA50™ 15B Walk-Behind Automatic Scrubber

- Full 15 inch cleaning path
- 3.5 gallon lift-off recovery tank
- Easy-to-use fingertip controls
- Low profile design for cleaning tight, hard-to-reach areas
- Onboard battery charger and auxiliary charging cable
- Rounded squeegee for easy and complete solution pick-up
- Fold-down handle for storage
- Maintenance-free AGM batteries and onboard charger

Focus® II BOOST® 20 Compact Autoscrubbers®

- 20 in (52 cm) scrub width
- BOOST® Technology
- Superior solution pickup
- 14.5 gallon (55 L) solution and recovery tanks
- Quiet operation at 65 dB A
- Easy operation
- Environmentally friendly with efficient solution usage
- Convenient front and rear fill
- One touch control panel is simple and easy to use
- 12 V battery choices, wet or AGM

CA30™ 17E & 20B Walk-Behind Autoscrubbers®

- Battery and electric models
- 17 in (17E) and 20 inch (20B) scrub widths
- 13.2 gallon (17E) and 10.5 gallon (20B) solution tanks
- 13.2 gallon (17E) and 10.5 gallon (20B) recovery tanks
- Long, 65 foot safety yellow power cord for non-stop cleaning (17E)
- Long-lasting batteries and onboard charger (20B)
- (2) 12 V batteries, 105 Ah AGM with onboard charger (20B)
- Low profile design for cleaning tight, hard-to-reach places

Focus® II BOOST® 28 Mid Size Autoscrubbers®

- 28 inch (66 cm) scrub width
- BOOST® Technology
- 23 gallon (87 L) solution and recovery tank
- Large tank capacity, longer run times
- Superior solution pick-up
- Onboard battery charger
- Optional, onboard chemical mixing system
- BOOST® is quiet at 63 dB A
- Easy operation

CA90™ 32T Walk-Behind Automatic Scrubber

- Extra-wide 32 inch cleaning path
- Available without batteries or with 250 Ah batteries and shelf charger
- Easy-to-use fingertip controls
- 370 W traction drive system
- Rounded squeegee for easy and complete solution pick-up
- 30 gallon (115 L) solution tank
- 28 gallon (106 L) recovery tank
- Variable pad pressure, up to 200 lb
- Heavy-duty cast aluminum squeegee assembly

Focus® II MicroRider™ Autoscrubbers®

- 26 inch disc deck or 28 inch BOOST® scrub deck (66 cm or 71 cm)
- BOOST® Technology with chemical-free floor finish removal
- SafetyGlide™ scrub deck
- Easy operation with Safe-T-Steering for added operator safety
- Superior solution pickup
- Optional AGM batteries
- Environmentally friendly with efficient solution control and usage

Focus® II Rider Autoscrubbers®

- 28 inch BOOST® or 28 and 34 inch disc scrub paths (71 cm or 86 cm)
- Available with BOOST® Technology
- Tight turning radius
- Increased down pressure
- Quiet operation
- Optional Chemical Mixing System
- Flexible cleaning capabilities
- Large recovery tank opening with debris catch cage and integrated squeegee hanger
- High traction urethane tires
- One-touch scrubbing with three pressure settings

BSW 28 Sweeper

- 28 in (71 cm) sweeping path (with side broom)
- Side broom for active sweeping into large hopper
- Indoor (carpet & hard floors) or outdoor use
- Quick and easy change out of filter and brooms - no tools
- Gel battery power source with onboard charger
- 2.5 to 3 hour battery run time on carpet

CFP Pro® 17HD & 20HD Floor Polishers

- Available in 17 in and 20 in sizes
- All metal construction
- 5 in non-marking transport wheels
- 1.5 hp motor with all-steel triple planetary gear box
- Pad driver included with universal clutch plate
- Easy-to-use, fingertip controls
- Safety lock-out switch

CFP Pro® 20DS Floor Machine

- 20 inch size
- Switchable 185/330 rpm dual speed
- All-metal construction
- 1.5 hp DC rectified motor with all-steel triple planetary gear box
- Pad driver included with universal clutch plate
- Easy-to-use fingertip controls
- Safety lock-out switch

FM40™ ST & LX Floor Machines

- 20 x14 inch cleaning path
- 1.5 hp heavy duty motor driving a 3,540 rpm orbital deck
- Includes weight kit consisting of three 21 lb weights
- Quiet, low vibration design at 68 dB A
- Switchable wheels-up/wheels-down modes (LX model)
- Baseboard cleaner standard (LX model)
- Detachable handle standard (LX model)
- 160 lb of down pressure
- Chemical-free floor stripping

Ultra Speed® 1500 Burnisher

- 20 in burnishing pad size
- Powerful 1.5 hp motor
- 1,500 RPM
- Indestructible Polydur® mainframe
- Self adjusting pad pressure
- Lightweight and easy to maneuver
- Very quiet 66 dB A sound level
- Folds for compact storage
- Durable Polydur® mainframe
- Self-regulating pad pressure
- Flexible pad driver
- Direct drive - no belts to wear

Ultra Speed Pro® 1500 Burnisher

- 20 inch path
- 1,500 rpm produces wet-look shine
- Easy-to-use, fingertip controls
- Safety lock-out switch
- Handle-mounted circuit breaker
- All-metal construction
- Safety lock-out switch
- Quiet operation - only 68 dB A

Ultra Speed 20 & 20T Burnishers

- 20 in burnishing path
- Self regulating pad pressure
- Non-traction or power traction drive
- 20T model has traction drive
- Class leading passive dust control
- Easy tip back feature for convenient pad changes
- Wet cell or AGM batteries
- Standard onboard battery charger
- Polishing rate: 24,000 sq/ft per hour (7,315 m/hour)
- Quiet operation - only 68 dB A

Hip Vac™ Backpack Vacuum

- Provides superior cleaning power with a 1,000 watt motor
- Lightweight at only 6.4 pounds with heavily padded belt for operator comfort
- Includes 12 inch combination floor tool, upholstery/dust brush, paddle tool and crevice tool
- H.E.P.A. filter optional

Comfort Pak Backpack Vacuums

- Choose either 6 or 10 quart capacity
- Very comfortable - sits high on the back
- Lightweight with lots of capacity
- Unique harness design dramatically reduces operator strain
- Exhaust is directed up and away - keeping operator cool
- Ultra quiet 62 dB A
- Standard 5 piece tool kit
- 50 ft safety yellow power cord (15 m)

Saltix™ 10 Canister Vacuum

- 900 Watt motor
- 50 dB A sound level
- Filter basket standard for bagless operation
- Four levels of filtration including H.E.P.A. standard
- 33 foot cord, rotating dust brush and crevice tool stored onboard
- Telescope aluminum wand optional
- 12 inch multi-surface floor tool
- Secure accessory and power cord storage and rear mounted wand and floor tool storage

Euroclean GD930 Canister Vacuum

- 1,000 Watt, 1.25 hp motor
- 66 dB A sound level
- Three levels of filtration standard
- Optional H.E.P.A. filtration
- 4 gallon (15 L) dust collection bag
- Durable chrome plated steel tank
- Dual mode floor tool
- Foot operated on/off switch
- Waterlift 89 inches
- Air flow 67 CFM
- Standard tools include a combination brush/nozzle, 6 foot suction hose, dual mode floor tool, two piece wand and crevice tool

ReliaVac® Upright Vacuums

- 12 or 16 in cleaning path
