

Hip Vac™

Portable Canister Vacuums

- Your choice of standard 650 Watt motor or the Hip Vac Sr. with a 1,000 Watt motor
- Lightweight at only 6.4 pounds with heavily padded belt for operator comfort
- Includes 12 inch combination floor tool, upholstery/dust brush, paddle tool and crevice tool
- H.E.P.A. filter available

Lighter, Faster, Better

Confined and cluttered areas are easy to clean with the Hip Vac™. The powerful motor and lightweight design increase productivity by up to 74 percent compared to traditional vacuums. The revolutionary ergonomic design of the Hip Vac enables cleaning staff to carry out their tasks with greater comfort. Its light weight enhances operator mobility and makes it easy to clean confined areas, making it the ideal solution for daily office cleaning.

The Hip Vac rests comfortably on the hips of the operator. Thanks to its small compact design, operators of all sizes have complete freedom of movement for all types of cleaning tasks. The motor is positioned to correspond to the body's own center of gravity, enhancing balance and minimizing fatigue.

Trusted. Reliable. Efficient.
