

BextSpot

Carpet Cleaning System

- Total carpet spotter package
- Durable Polydur® tanks
- Rugged transport cart
- Eliminates spotting tasks
- Efficient recovery system

The BextSpot carpet cleaning system is your complete compact carpet spotting kit. It offers a large 2.5 gallon recovery tank and 55 PSI solution spray through a 3.5 inch hand tool to make quick work of carpet and upholstery spot cleaning tasks.

When ordered as the deluxe package, the kit includes an 8 inch floor wand to reduce fatigue, a complete spot cleaning chemical kit and a convenient transport handle to ease mobility. When spots and stains leave you with only questions, the BextSpot is the answer.

The BextSpot is your complete compact spotting kit, offering a large 2.5 gallon recovery tank.

Trusted. Reliable. Efficient.
