

## **1600 & 1600DC** Rotary Sanders

- **Aggressive, powerful fully-enclosed motor**
- **Low profile design**
- **Ergonomic handle**
- **Super grip pad driver**

The 1600 and 1600DC Rotary Sanders were designed and innovated specifically for the demands of wood floor sanding and finishing.

The added weight and balanced design mean the most aggressive sanding, highest productivity and smoothest operation of any rotary sander on the market.

The 1600 and 1600DC feature a balanced pad driver for smoother operation.
