

CAV 12

Dust Control Vacuum

- 137 CFM and 99 inch waterlift
- Powerful 1,000 Watt motor
- Soft start switch
- Easy-to-empty tank
- Durable polypropylene construction
- Crush proof hoses
- Rugged vacuum tools
- Non-marking wheels and castors

Large capacity and durability makes this industrial vacuum the ideal tool for big sanding jobs. Optional H.E.P.A. filter can be installed to meet federal regulations when sanding surfaces that may contain lead based finish.

Use 12 gallon fleece bag #107401896 with each application. Can be used as a wet vacuum when all filters have been removed.

Because Pride Still Matters.
